# CIRCUS

## WIJKOVERLEG STATENKWARTIER ADVANCE NOTICE

Wijkoverleg Statenkwartier is excited to announce our first annual neighborhood faire! This year, the theme will be “CIRCUS” and we hope to bring all residents of the Statenkwartier together for a fun-filled day. The event will start off with kids activities and continue into the evening with activities for adults. Food and drinks will be available from food trucks throughout the event.

Preparations will start on June 16 (e.g. grass protection, booths, furniture, tent, trash cans). Breakdown and cleanup will happen on June 19.

Wijkoverleg Statenkwartier works together with an event manager company to make sure everything will run smoothly (e.g. security, emergency care).

While we are still in the preparation phase, we would like to inform you of our plans and let you know we will do our best to minimize any inconvenience.

Please contact us at [wijkoverleg@statenkwartier.net](mailto:wijkoverleg@statenkwartier.net) with any questions or if you'd like to help out with the event. We hope to see you at the Statenkwartier Faire on June 16!

Warm regards
